Through her company "Sol e Campo Ltd", Shirley imports the finest quality gourmet products from the Algarve to London and the rest of the United Kingdom - now the products have received the recognition they deserve: At the world famous British Great Taste Awards 2013, for which over 10,000 products have been entered at the Guild of Fine Food this year, Sol e Campo has won the golden star three times. Awards went to the extra virgin olive oil from Monterosa, the Marisol flor de sal and the fig nougat from Eira do Mel. All three products are now officially permitted to bear the "Great Taste 2013" label.
